

Euro Systems Automotive Training 866-245-7602 - Ends April 1, 2012

| CLASS | Features | Bandwidth (MHZ) | Real sample rate | Function Generator | Memory depth | Promotion | |
|---|----------------------------|-----------------|-------------------|--------------------------|--------------|---|---|
| Automotive Diagnostic Oscilloscope DSO3064A | Built in wave forms | 60MHz | 200MS/s real-time | Built In | 10k to16M | \$469.99 |  |
| | 8 to 36V Range | | | | | | |
| | FFT spectrum analysis | | | | | | |
| | 4 Channels and EXT trigger | | | | | | |
| | Frequency Counter | | | | | | |
| Automotive Diagnostic Equipment Accessories | | | Model Number | Specification | Promotion | | |
| Auto Ignition Probe | | | HT25 | One for each channel | \$23.99 |  | |
| Acupuncture Probe Set | | | HT307 | One set | \$17.99 |  | |
| Large Dolphin/Gator Clips | | | HT18A | One set for each channel | \$9.99 |  | |

| | | | | |
|------------------------------|-------|---|---------|---|
| Multimeter Probes | HT19 | One set for each channel | \$7.99 |  |
| Coil-on-Plug extension leads | HT308 | One set for each channel | \$23.99 |  |
| HT201Attenuator | HT309 | One set for each channel used with secondary ignition systems | \$19.99 |  |
| Test leads | HT30A | One set for each channel | \$19.99 |  |
| Optional power | HT310 | Optional | \$12.99 |  |
| BNC turn head | HT311 | At least one | \$9.99 |  |

| | | | | |
|--------------------------------|-------|---|----------|--|
| LAN PCB | HT312 | Optional | \$55.99 |  |
| WIFI PCB | HT313 | Optional | \$129.99 |  |
| 6-Way Universal Breakout Leads | HT306 | 0.6 mm Optional 1.5 mm Optional 2.3 mm Optional 2.8 mm Optional | \$53.99 |  |
| Current Clamp | CC-65 | Recommended and works with any quality Multi-Meter - This is required for current ramping pumps, coils and injectors. | \$129.99 |  |
